

POLITIKA ZASEBNOSTI IN PRAVNA OBVESTILA

VARSTVO OSEBNIH PODATKOV

Študentski klub Žalec varuje, zagotavlja in izvaja ustrezne postopke ter ukrepe za zavarovanje osebnih in drugih varovanih podatkov, v skladu z veljavnimi predpisi o varstvu osebnih podatkov, in sicer Splošno uredbo o varstvu osebnih podatkov (Uredba (EU) 2016/679 o varstvu posameznikov pri obdelavi osebnih podatkov in o prostem pretoku takih podatkov ter o razveljavitvi Direktive 95/46/ES (GDPR)), Zakonom o varstvu osebnih podatkov (Uradni list RS, št. 163/22), ter v skladu z drugimi veljavnimi predpisi s področja varovanja podatkov in internimi pravilniki o varovanju osebnih podatkov.

PRIDOBIVANJE, OBDELAVA IN SHRANJEVANJE OSEBNIH PODATKOV

Na podlagi osebne privolitve posameznika zbiramo naslednje osebne podatke:

- osebno ime
- datum rojstva
- EMŠO
- naslov stalnega prebivališča
- podatki o statusu študenta
- naslov elektronske pošte
- telefonska številka

Osebne podatke, ki jih zbiramo na podlagi izrecne privolitve posameznika, obdelujemo za namene, opredeljene s privolitvijo in hranimo ves čas, ko ima uporabnik pravico do včlanitve v Študentski klub Žalec in še eno leto po prenehanju.

UPORABA OSEBNIH PODATKOV IN NAMEN ZBIRANJA

Vaši osebni podatki se zbirajo in uporabljajo za namene včlanitve in vsakoletnega podaljšanja članstva do neizpolnjevanja pogojev oziroma pisne zahteve za izbris podatkov, koriščenja pravic člana in obveščanja o delovanju Študentskega kluba Žalec.

Zbranih podatkov ne uporabljamo za namene oglaševanja ali raziskovanja trga brez vašega soglasja.

Kjer je to primerno, se določila, ki se nanašajo na posameznike, uporabljajo tudi za pravne osebe.

Prav tako vas obveščamo, da smo dolžni, za vsak primer posebej, organom pregona predložiti vaše osebne podatke, če so le ti zahtevani v okviru zakonskih pooblastil organa pregona.

ZBIRANJE DOSTOPNIH PODATKOV BREZ OSEBNIH PODATKOV

Za izboljšanje ponudbe naše spletne strani, Študentski klub Žalec zbira in hrani nekatere dostopne podatke brez osebnih podatkov. Ko zahtevate dostop do naših spletnih strani in datotek našega spletnega mesta, so podatki o dostopu zbrani in shranjeni kot privzeti. Ti podatki vključujejo:

- stran, s katere je bila zahtevana datoteka,
- ime datoteke,
- datum in uro zahteve,
- čas, porabljen na spletni strani,
- količina prenesenih podatkov,
- status dostopa (ali je bila datoteka prenesena ali ni bila najdena in podobno), - naslov IP računalnika, ki ga je zahteval,
- opis vrste in različice uporabljenega spletnega brskalnika,
- nameščen operacijski sistem.

PRIJAVA NA NOVICE

Ko podate soglasje za obveščanje ali ko se prijavite za naše novice, se strinjate, da lahko vaš e-poštni naslov in/ali številko mobilnega telefona uporabimo za oglaševalske namene. Vaše soglasje k shranjevanju in uporabi vašega e-poštnega in številke mobilnega telefona naslova za pošiljanje novic lahko kadarkoli prekličete, npr. tako da pošljete e-poštno sporočilo na naslov: info@sk-zalec.org

INFORMACIJE, POPRAVKI, BLOKIRANJE IN IZBRIS

Kadarkoli lahko zahtevate brezplačne podatke o shranjenih osebnih podatkih. Prav tako imate pravico zaprositi za popravek, blokiranje ali brisanje podatkov. Po izpolnitvi namena obdelave ali pisni zahtevi za izbris podatkov bomo osebne podatke uporabnika izbrisali, blokirali, uničili ali anonimizirali. V zvezi z navedenim nas lahko kontaktirate na naš e-mail naslov: info@sk-zalec.org.

VARNOST PODATKOV

Podatke varujemo s tehničnimi in organizacijskimi ukrepi za preprečevanje izgube, izbrisa, dostopa, spreminjanja ali razširjanja podatkov s strani nepooblaščenih oseb.

PIŠKOTKI

Spletna stran Študentskega kluba Žalec uporablja piškotke, da olajša uporabo spletne strani. Piškotki so majhne besedilne datoteke, ki jih vaš spletni brskalnik shrani na vaš računalnik. Če ponovno odprete ustrezno stran, piškotki omogočajo prepoznavo vašega računalnika. Nastavitve shranjevanja piškotkov lahko kadarkoli spremenite. Vendar pa bi

radi poudarili, da to pomeni, da morda ne boste mogli uporabljati vseh funkcij našega spletnega mesta.

SPLETNA ANALITIKA

Spletna stran uporablja Google Analytics, storitev spletnega analitike, ki jo ponuja Google, Inc. (»Google«). Google Analytics uporablja "piškotke", ki so tekstovne datoteke, nameščene na vašem računalniku, da bi spletnemu mestu pomagali analizirati, kako uporabljate spletno mesto.

Podatke, ki jih piškotek pridobi o vaši uporabi spletnega mesta, na spletna mesta Googlu posreduje in jih shranjuje na strežnikih v ZDA. Če je na tej spletni strani aktivirana anonimizacija IP-ja, bo vaš naslov IP najprej onemogočil Google v državi članici Evropske unije ali v drugi državi pogodbenici v sporazum o evropskem gospodarskem prostoru. Samo v izjemnih primerih bo vaš polni IP naslov prenesen na Googlov strežnik v ZDA in tam skrajšan. Upoštevajte, da ta spletna stran uporablja Google Analytics z razširitvijo "_anonymizelp ()", zato se IP naslov obravnava le v okrnjeni obliki, kar pomeni, da je preprečena osebna identifikacija.

Google bo v imenu upravitelja te spletne strani uporabil te podatke za ocenjevanje vaše uporabe spletnega mesta, pripravo poročil o dejavnostih spletnih strani za operaterje spletnih mest in drugih operaterjev, ki se nanašajo na spletno dejavnost in uporabo interneta. Naslov IP, ki ga brskalnik prenese v storitev Google Analytics, ni povezan z drugimi Googlovimi podatki. Piškotke lahko zavrnete tako, da izberete ustrezne nastavitve v vašem brskalniku, vendar upoštevajte, da morda ne boste mogli uporabljati vseh funkcij tega spletnega mesta.

Poleg tega lahko Google preprečite zbiranje podatkov, ki jih ponuja piškotek, in so povezani z vašo uporabo spletnega mesta (vključno z naslovom IP), ter obdelavo teh podatkov s strani Google s prenosom in namestitvijo vtičnika brskalnika, ki je na voljo prek sledite povezavi: <http://tools.google.com/dlpage/gaoptout>.

Več informacij o pogojih uporabe in zasebnosti najdete na: <http://www.google.com/analytics/terms> in <https://www.google.de/intl/en/policies/>. Upoštevajte, da je na tem spletnem mestu Google Analytics razširjen s kodo "gat._anonymizelp ();" da zagotovite anonimizirano zbirko vašega IP-naslova (tako imenovano IP maskiranje).

Lovro Čeh Brežnik, predsednik Upravnega odbora ŠKŽ

and possibly the 10 percent of the population that is not in the labor force.

THE FUTURE

There are many reasons why the future of the United States is uncertain. The first is the economy. The second is the environment. The third is the population. The fourth is the technology. The fifth is the culture. The sixth is the politics. The seventh is the education. The eighth is the health. The ninth is the crime. The tenth is the terrorism.

The first reason why the future of the United States is uncertain is the economy. The economy is the lifeblood of a nation. If the economy is weak, the nation will be weak. If the economy is strong, the nation will be strong. The economy of the United States is currently weak. This is due to a number of factors. One factor is the high level of unemployment. Another factor is the low level of consumer spending. A third factor is the high level of government spending. A fourth factor is the high level of inflation. A fifth factor is the high level of interest rates. A sixth factor is the high level of taxes. A seventh factor is the high level of debt. An eighth factor is the high level of trade deficits. A ninth factor is the high level of budget deficits. A tenth factor is the high level of military spending.

The second reason why the future of the United States is uncertain is the environment. The environment is the home of a nation. If the environment is polluted, the nation will be polluted. If the environment is clean, the nation will be clean. The environment of the United States is currently polluted. This is due to a number of factors. One factor is the high level of air pollution. Another factor is the high level of water pollution. A third factor is the high level of land pollution. A fourth factor is the high level of noise pollution. A fifth factor is the high level of radiation pollution. A sixth factor is the high level of chemical pollution. A seventh factor is the high level of biological pollution. An eighth factor is the high level of nuclear pollution. A ninth factor is the high level of space pollution. A tenth factor is the high level of global pollution.

The third reason why the future of the United States is uncertain is the population. The population is the people of a nation. If the population is growing, the nation will be growing. If the population is shrinking, the nation will be shrinking. The population of the United States is currently growing. This is due to a number of factors. One factor is the high birth rate. Another factor is the low death rate. A third factor is the high immigration rate. A fourth factor is the low emigration rate. A fifth factor is the high life expectancy. A sixth factor is the low infant mortality rate. A seventh factor is the high literacy rate. An eighth factor is the high average income. A ninth factor is the high average education level. A tenth factor is the high average health level.

The fourth reason why the future of the United States is uncertain is the technology. The technology is the tools of a nation. If the technology is advanced, the nation will be advanced. If the technology is落后, the nation will be落后. The technology of the United States is currently advanced. This is due to a number of factors. One factor is the high level of research and development. Another factor is the high level of innovation. A third factor is the high level of investment in technology. A fourth factor is the high level of education in technology. A fifth factor is the high level of government support for technology. A sixth factor is the high level of private industry support for technology. A seventh factor is the high level of academic support for technology. An eighth factor is the high level of public support for technology. A ninth factor is the high level of international support for technology. A tenth factor is the high level of global support for technology.

The fifth reason why the future of the United States is uncertain is the culture. The culture is the values of a nation. If the culture is strong, the nation will be strong. If the culture is weak, the nation will be weak. The culture of the United States is currently strong. This is due to a number of factors. One factor is the high level of patriotism. Another factor is the high level of respect for the rule of law. A third factor is the high level of tolerance for diversity. A fourth factor is the high level of commitment to the common good. A fifth factor is the high level of respect for individual rights. A sixth factor is the high level of commitment to social justice. A seventh factor is the high level of respect for the environment. An eighth factor is the high level of commitment to the future. A ninth factor is the high level of respect for the past. A tenth factor is the high level of commitment to the present.

The sixth reason why the future of the United States is uncertain is the politics. The politics is the system of a nation. If the politics is fair, the nation will be fair. If the politics is unfair, the nation will be unfair. The politics of the United States is currently fair. This is due to a number of factors. One factor is the high level of transparency. Another factor is the high level of accountability. A third factor is the high level of participation. A fourth factor is the high level of respect for the rule of law. A fifth factor is the high level of commitment to the common good. A sixth factor is the high level of respect for individual rights. A seventh factor is the high level of commitment to social justice. An eighth factor is the high level of respect for the environment. A ninth factor is the high level of commitment to the future. A tenth factor is the high level of respect for the past.

The seventh reason why the future of the United States is uncertain is the education. The education is the knowledge of a nation. If the education is high, the nation will be high. If the education is low, the nation will be low. The education of the United States is currently high. This is due to a number of factors. One factor is the high level of enrollment. Another factor is the high level of graduation. A third factor is the high level of literacy. A fourth factor is the high level of numeracy. A fifth factor is the high level of critical thinking. A sixth factor is the high level of creative thinking. A seventh factor is the high level of problem solving. An eighth factor is the high level of communication. A ninth factor is the high level of collaboration. A tenth factor is the high level of leadership.

The eighth reason why the future of the United States is uncertain is the health. The health is the well-being of a nation. If the health is good, the nation will be good. If the health is bad, the nation will be bad. The health of the United States is currently good. This is due to a number of factors. One factor is the high level of life expectancy. Another factor is the low level of infant mortality. A third factor is the high level of literacy. A fourth factor is the high level of numeracy. A fifth factor is the high level of critical thinking. A sixth factor is the high level of creative thinking. A seventh factor is the high level of problem solving. An eighth factor is the high level of communication. A ninth factor is the high level of collaboration. A tenth factor is the high level of leadership.

The ninth reason why the future of the United States is uncertain is the crime. The crime is the behavior of a nation. If the crime is low, the nation will be safe. If the crime is high, the nation will be unsafe. The crime of the United States is currently low. This is due to a number of factors. One factor is the high level of law enforcement. Another factor is the high level of justice. A third factor is the high level of respect for the rule of law. A fourth factor is the high level of commitment to the common good. A fifth factor is the high level of respect for individual rights. A sixth factor is the high level of commitment to social justice. An eighth factor is the high level of respect for the environment. A ninth factor is the high level of commitment to the future. A tenth factor is the high level of respect for the past.

The tenth reason why the future of the United States is uncertain is the terrorism. The terrorism is the threat to a nation. If the terrorism is low, the nation will be safe. If the terrorism is high, the nation will be unsafe. The terrorism of the United States is currently low. This is due to a number of factors. One factor is the high level of intelligence. Another factor is the high level of security. A third factor is the high level of respect for the rule of law. A fourth factor is the high level of commitment to the common good. A fifth factor is the high level of respect for individual rights. A sixth factor is the high level of commitment to social justice. An eighth factor is the high level of respect for the environment. A ninth factor is the high level of commitment to the future. A tenth factor is the high level of respect for the past.
